A4	12:13 - 12:48

*Lunch is available after school

What is SGI (Student Guided Instruction)?

- SGI is an opportunity for students to meet with teachers to receive extra assistance on assignments, review grades, inquire about make-up work, take quizzes missed due to excused absences and take care of other school business.
- Many teachers offer drop-in tutoring during this time or take appointments to meet individually with students.
- Students may also purchase snacks and breakfast, pay bills in the Finance Office and take care of other school business.
- The Counseling Office is open and students may meet with their counselor (no appointment is necessary).
- Students may also make use of the Library, Computer Lab or Career Center.
- Please be advised that students are NOT to leave campus during SGI and any parents coming on campus must first report to the Main Office to receive a guest pass.

Who is Enrolled in the 00 Period?

Courses offered during the 00 period meet every day for 50 minutes from 7:30 - 8:20 am.

- Only students who request a 00 are enrolled in a class this period, however, offerings are limited and space is not guaranteed. Students are strongly discouraged from taking a class at this time if they do not perform well in the morning.
- Priority for enrollment into a 00 period is given in the following order:
 - Students who need 7 classes because they are deficient in credits or need to take a support class.
 - Students who wish to take a class at another Santa Cruz City School site that requires them to have an open period to travel.
 - Students who wish to take 7 classes at Harbor with multiple electives like Jazz Band, Leadership, AVID, etc.
 - All other students are enrolled based on the space available. Students should keep in mind that even with a 00, an early release is not guaranteed and students may have a gap in their schedule.
