MAKING YOUR AD

Option 1: Go to the order center ← -- best and easiest

(<https://www.yearbookordercenter.com/index.cfm/jobsearch/displayLanding>) and follow directions for creating ads using the Herff Jones templates. Ads made using these templates look clean, simple and professional. You will upload digital images and create your own text. You can pay with your credit card.

Option 2: Make your own ad using paper and pictures

We advise you to make color copies of your pictures and cut the copies up for the ad. You may glue anything you want on the size paper your ad will be. Write clearly. Bring the ad to school – you can leave it at the front desk with “Yearbook Ad” written on the envelope or folder. You can leave a check with the ad and we will take it to the finance office for you (your check is your receipt) or you may take the check to the finance office. They do not take credit cards or have access to Pay Pal at this time.

Option 3: Create a digital copy of your ad

Using high-resolution images, create your ad the appropriate size. It should be 300 dpi. You may email that to missrummens@gmail.com or you may eShare it on the front of the Harbor High School website (harborhigh.org). Send check to Harbor High or pay for your ad at The Pirate Store (piratewear.biz). You can use Pay Pal there.
